Given under my hand, at the city of Washington, this wenty-seventh day of February, anno Domini one thousand eight hundred and forty mine.

JAMES K. POLK.
By the President;
Richas P. M. Vorno,

By the President:

Richard M. Yourdo,

Commissioner of the General Land Office.

The lands embrared in the above proclamation are lectrected principally on and adjacents on the Mississippi and St.

Croix rivers. Those designated as mineral are extremely
valuable; because, in addition to the copper and other
overs found in them, they are well watered, and have ready
access to market, either to the South, by the Massimply
rivers of the Rand, by the vary of the the Massimply
rivers of the Rand, the vary of the received of the finest
Valuable imber and all other necessary requisites for
building and smelling, are found in great abunchance, and
of the finest quality. The climate is healthy and pleasant—
the cold being rarely mer intense than in the northern part
ties, producing all the grains and veerables that can be
raised in Missachusertz and northern New York.

Maps showing the localities of the mines, and other valuable
information relating thereto, derived from the geological survey, dee, which cannot be embraced in this brief
St. Croxi for inspection as early as practicable before the
commencement of the public sales.

Notice to Pre-emption Claimantis.

St. Crox for impection as early on practicable before the commencement of the public sales.
